

BE A BACKYARD NATURE GUARDIAN

backyardnature.org

YOUR PATCH YOUR PLANET

We need you to help us tackle the nature crisis close to home. Because by protecting your patch, you can make a huge difference to the planet. Join us as a Backyard Nature Guardian and you'll take part in seasonal missions with others across the UK as we work together to protect nature on our doorstep.

HOW IT WORKS

- 1 Pick a patch of nature you want to protect.
- 2 Do something little and often to protect your patch and help nature thrive.
- 3 Find people who will help you take action – learn from the pros.

4 Tell everyone about what you're doing and help make protecting nature close to home as normal as going to school.

5 Have fun! The more fun you have, the more you'll want to do 😊

We're here to support you all the way and you'll find plenty more information on our website:
backyardnature.org

WANT TO BECOME A BACKYARD NATURE GUARDIAN?

It's quick and easy to become a Backyard Nature Guardian – simply head over to backyardnature.org and sign up. We'll send you emails packed full of fun stuff to help you do your bit to protect the planet. So, what are you waiting for?

ABOUT BACKYARD NATURE

We're here to give young people and their grown-ups the opportunity to make a real difference to the planet. How? By providing activities and events that get them out and about into nature – even if they live in the heart of a city.
